INDEX TO VOLUME LVIII.

January 1 to June 30, 1893.

A

Abstracts from the Address of Mr. Duesbery, President of the Eastern Counties Gas Managers Association. 637
Abstracts from the Proceedings of the British Royal Institution..... 922
*Abbot's New Jib Crane..... 76
*Accident at Indianapolis, Ind., Peculiar Gas-Electric, by John R. Pearson..... 478
Acid, Crude Carbolic..... 368
Addicks' (W. R.) Presentation of the Gas Association Problem, by Col. C. A. White..... 146
Advances in Electric Heating..... 885
*Advantages of Forcing Lamps at the Expense of their Life, by Carl Hering 41
Advantages of Gas Over Coal for Cooking and Heating Purposes, by W. W. Goodwin..... 674
Air for the Purification of Gas, Use of, by Norton H. Humphrys..... 406
Air, Liquid 229
Alabama Coals and Coke, Ultimate Composition of Some..... 890
Altoona (Pa.) Gas Company, New Plant of, by T. W. Cole.... 333
Aluminum, Properties of..... 893
American Inventor..... 506
Ammonia, Condensation of..... 857
Annual Meeting of the New England Association of Gas Engineers, The Twenty-third.....257, 290, 326, 362
Annual Meeting of the Ohio Gas Light Association, Ninth.470, 506
Application of Machinery for Working Horizontal Retorts, by C. C. Carpenter..... 886
Application of Oxygen to Lime Purification at Shrewsbury, Notes on, by W. Belton..... 882
*Apparatus, Fitch's Gas Making..... 115
*Apparatus for Detecting Gases in Mines, Shaw's..... 596
*Apparatus for Manufacturing Gas, Morrell's..... 636
*Apparatus for Washing and Scrubbing Gas, Fitzgerald's.... 434
Arc and Power Circuits, Locating Trouble on, by C. O. Poole. 117
Askins Gas Process, Latest 711
*Askins Gas Process, Latest Patent..... 255
Asphalt Deposits, Trinidad..... 562
Asphalt of Trinidad..... 259
Automatic Device for Lighting and Extinguishing Gas Lamps, Sangster's..... 891

B

Belton, W., Notes on the Application of Oxygen to Lime Purification at Shrewsbury..... 882
Bemis, Prof. E. W., Ph. D., Recent Results in Municipal Gas Making in the United States..... 218
*Berlin Iron Bridge Company's Construction, Examples of... 260
Boiler Preservation, Electrical Process for..... 782
British Royal Institution, Abstracts from Proceedings of..... 922
Brophy, Wm., Relation of Insurance to Electric Lighting and Power..... 442
Bye-Product Ovens, Changing of the Physical Properties of Coke Made in..... 118

C

Calculation of Flame Temperatures..... 400
Calorific Value of Liquid Fuel..... 10
Capital Invested in Gas Undertakings, and the Consumers of Gas, by N. H. Humphrys, F. C. S..... 853
Carbolic Acid, Orude..... 368
Carbureted Water Gas, by A. G. Glasgow..... 818
Carpenter, C. C., Application of Machinery for Working Horizontal Retorts..... 886
Cells, Photo-Electric 82
*Center Seal, Hearne's Improved..... 7
Central Stations, Thermal Storage for, by George Forbes.... 440
Central Station Work, Locating Trouble on Arc and Power Circuits in, by C. O. Poole 117
Changing of the Physical Properties of Coke Made in the Bye-Product Ovens..... 118
Chemical Action, Stoppage of, at Low Temperature..... 718
*Chicago Gas Light and Coke Company, Mammoth Gasholder Recently Constructed for..... 705
Chlorine Recovery, by C. F. Townsend, F. C. S..... 601
Circular-Roofed Structure Construction, Cunningham's..... 672
*Clark's Retort Lid..... 634
*Cleminshaw, T. S., Tar Spraying Device in Use at the Launcestor (Tasmania) Gas Works..... 885
Coal and Coke Production in Kentucky..... 632
Coal and the Electric Light, Loss Between..... 925
Coal Dust Explosions as Motive Power..... 633
Coal Gas for Heating, Further Applications of..... 187
Coal Gas, Generation of Light from, by Prof. V. B. Lewes, F. I. C.....74, 110, 149, 182
Coal Mines, Electric Haulage in..... 929
Coals for Making Coke in the Semet-Solvay Ovens, Investigation of, etc., by J. D. Pennock.....370, 401, 438
Coal, Spontaneous Combustion of..... 255
Coke, by Jones B. Wister..... 669
Coke Made in the Bye-Product Ovens, Changing of the Physical Properties of..... 118
Cole, T. W., New Plant of the Altoona (Pa.) Gas Company.... 333
Comparative Cost of Gas and Electric Lighting..... 595
Comparison of the Eschka and Hundeshagen Methods of Estimating Sulphur in Coal and Coke..... 114
Compressed Gases, Medical Use of..... 79
Condensation of Ammonia..... 857
Conductivity of Insulating Bodies..... 225
Controlling Gas Supply in Trains, Howlden's Plan for..... 258
Cooking and Heating Purposes, Advantages of Gas Over Coal for, by W. W. Goodwin..... 674
Correspondence, Special English, by Norton H. Humphrys... 9, 153, 298, 441, 639, 782, 926
Cost of Steam Power with Engines of Different Types, by Charles E. Emery, Ph. D..... 599
*Crane Company's New Valves..... 79
Crude Carbolic Acid..... 368
Crude Coal Gas, Purification of, by Oxide of Iron..... 80
*Cunningham's Circular-Roofed Structure Construction..... 672

D

*Dangers from Gas in Electrically Lighted Cities, by M. P. Jousselin 402
Death of John Somerville..... 47
Deceased Members of the New England Association, Minutes to the Memory of..... 368
Decision of the Massachusetts Commission in the Matter of the Appeal of the Marlborough Gas Company..... 81
*Destructive and Conservative Distillation of Mineral Oils, by John Laing.....4, 40
Diffusion of Light in Rooms..... 116
Dvorkovitch, Dr. P., Gasification of Coals and Liquid Hydrocarbons 747

E

Early History of Wrought Iron Gas Pipe..... 921
Economical Gas Power Plant..... 710
Edison Again Sustained..... 5
Edison Meter, by John F. Gilchrist..... 190
Egner, Frederic, An Unpopular Subject Popularly Treated.... 38
Egner, Frederic, The Harris Process for Generating Gas..... 148, 182, 192, 218, 227
Egner's (Frederic) Figures, by James R. Smedberg..... 334
Electrical and Insurance Interests, Relations Between, by James A. Waterworth..... 741
Electrical Process for Boiler Preservation..... 782
*Electrically Lighted Cities, Dangers from Gas in, by M. P. Jousselin..... 402
Electric Haulage in Coal Mines..... 929
Electric Heating, Advances in..... 885
Electricity Building and Machinery Hall, World's Fair..... 77
Electricity in a Small Arms Factory..... 225
Electric Lighting and Power, Relation of Insurance to, by Wm. Brophy..... 442
Electric Lighting at Topeka, Kansas, by Lewis Kingman..... 45
Electric Lighting, Gas Power for 262
Electric Lighting Plants and Gas Engines..... 598
Electric Light, Loss Between Coal and the..... 925
*Electric Meter, Scott's..... 189
Emery, Charles E., Ph. D., Cost of Steam Power with Engines of Different Types..... 599
Engineering Constructions, Paint as Used on..... 49
English Mining, Wasted Coal in..... 637
Eschka and Hundeshagen Methods of Estimating Sulphur in Coal and Coke, Comparison of..... 114
*Examples of the Berlin Iron Bridge Company's Construction. 260
Expert English Opinion on Certain Oil Gas Processes..... 743

EDITORIALS—

Another Bit of Evidence Showing the Value of State Gas Commissions 73
Books Received..... 702
Boomerang, A..... 182
Boston Gas Situation..... 666

INDEX TO VOL. LVIII.

SPECIAL INDEX OF REPORTS OF PROCEEDINGS OF ASSOCIATIONS.

New England Association of Gas Engineers—Twenty-Third Annual Meeting.

Acknowledging Election to Honorary Membership..... 290
Address, President's..... 257
Annual Meeting Days, Providing for Correcting..... 290
Committee on Nomination, Appointment of..... 290
Committee on President's Address, Appointment of..... 258
Committee on President's Address, Preliminary Report of... 297
Committee on President's Address, Report of..... 362
Committee to Investigate the Effect of the Trolley System on Gas and Water Pipes, Appointment of..... 362
Election of New Members..... 257
Election of Officers..... 291
Honorary Membership, Acknowledging Election to..... 290
New Members, Election of..... 257
Officers, Election of..... 291
President's Address..... 257
President's Address, Appointment of Committee on..... 258
President's Address, Preliminary Report of Committee on.... 297
President's Address, Report of Committee on..... 362
Providing for Correcting the Annual Meeting Days..... 290

PAPERS READ:

Effects of the Trolley System on Gas and Water Pipes, by H. A. Allyn..... 326
Everyday Photometry, by E. C. Jones..... 363
Experiments on Removing Sulphur from Purified Gas, by G. F. Goodno..... 291
*Recording Pressures on Mains and Services, by S. J. Fowler..... 329
Removal of Carbon from Retorts Without the Use of the Steam Jet, by C. D. Sherman..... 365
*Reports, by Robert W. Bush..... 333
Value of an All Round Man, by C. F. Spaulding..... 366

QUESTION-BOX:

1. In mixing gases of different densities, as coal and water gas, is there any shrinkage, or would 2 feet of each make 4 feet of mixed gas?..... 367
2. At what price must gas for power be sold to put gas on the same basis of cost for power as the average electric motor?..... 367
3. Is it advisable to make a special price for a gas to be used in gas engines?..... 367

Report of Auditing Committee..... 290
Report of Committee on President's Address..... 362
Report of Treasurer..... 290
Roll Call..... 257
Trolley System, Committee to Investigate Effect of, on Gas and Water Pipes..... 362
Votes of Thanks..... 367

Ohio Gas Light Association—Ninth Annual Meeting.

Address, President's..... 472
Committee on President's Address, Appointment of..... 473
Committee on President's Address, Report of..... 516
Committee on Tar, Report of..... 522
Committee on Uniformity of Special Castings, Report of..... 471
Committees, Special, Appointment of..... 473
Election of New Members..... 470
Election of Officers..... 526
Executive Committee, Report of..... 471
Finance Committee, Report of..... 471
Letters of Regret..... 470
Naming Place of Next Meeting..... 526
President's Address..... 472
President's Address, Appointment of Committee on..... 423
President's Address, Report of Committee on..... 516

PAPERS READ:

Discrimination by Gas Companies in the Treatment of their Consumers, by G. A. Allen..... 512
Governor Burners, by Irvin Butterworth..... 516
Is the Wilkinson Process Economical for Small Works, by J. F. Seamon..... 510
Oils for Gas Enriching, by Alten S. Miller..... 520
Present and Future Competition Between Gas and Electricity, by Joseph Gwynn..... 522
Present State of the Art of Purification in Closed Vessels, by S. F. Hayward..... 474
Should Small Gas Companies Put in Electric Light Plants? by H. L. Hurlburt..... 506
Test of the Backus Heater, by Jerome Penn..... 476

QUESTION-BOX:

1. Does it pay gas companies to rent gas stoves?..... 515
2. If a gas company can buy nut coal at $1.30 delivered in their works, and can sell their entire coke product at 5 cents per bushel net, would it be economy for them to use nut coal in their furnaces?..... 515
3. In transferring water gas from a relief holder by means of a steam jet exhauster, are stoppages of pipes likely to occur?..... 515
4. Has anyone had any trouble in purifying water gas with iron sponge, and if so, how was it remedied?..... 476
5. What must be the relation between the price of crude oil and the price of coal or coke before it will pay to use the former as fuel under boilers?..... 515
6. How can leaks in gas mains be located?..... 516
7. As to the selling of gas stoves, etc., by gas companies.. 516
8. Is not power furnished by a gas engine the cheapest?.. 527
9. What is the best treatment of oxide of iron after it has taken up 35 or 40 per cent. of sulphur?..... 476
10. Why do not all meter manufacturers place the word "hundreds" over the right hand dial of meters, instead of "one thousand," as some of them do?.... 527
11. What size of retort, how many retorts in each arch, and what width of arch for this particular size and number of retorts, are best adapted for a works producing 125,000,000 per year?..... 527
12. As to the adoption of a water gas process in a remodeled works..... 527
13. Are explosions in blast pipes or fans attached to water gas plants usual? If so, how can they be avoided? 528
14. Can a fuel gas be made to sell at 25 cents per thousand feet with a profit?..... 528
15. Is Dye's Patent Gas Washer a success?..... 528
16. As to the practical results obtained with the Springer and Lowe double-superheater water gas apparatus, 528
17. Does it pay to work up the ammoniacal liquor of a gas works carbonizing 1,000 tons of coal per annum?... 528
18. Is the use of a positive blower in connection with water gas recommended?..... 528
20. What is the best way to lower a gas main?..... 528
21. What is the best street drip, and the best way to put it in?..... 528
22. What is the best way to clean out a partially clogged or rusted main?..... 528
23. What is the best course to pursue in competition with incandescent light?..... 528
24. What is the relative efficiency of naphtha and benzine as an enricher of coal gas?..... 521
25. As to the propriety of gas companies connecting gas kilns free of charge..... 528

Report of Committee on President's Address..... 516
Report of Committee on Tar..... 552
Report of Committee on Uniformity of Special Castings..... 471
Report of Executive Committee..... 471
Report of Finance Committee..... 471
Report of Secretary and Treasurer..... 471
Report of Special Committees..... 471
Roll Call..... 470
Secretary and Treasurer, Report of..... 471
Special Castings, Report of Committee on..... 471
Special Committees, Appointment of..... 473
Special Committees, Reports of..... 471
Tar, Report of Committee on..... 522
Uniformity of Special Castings, Report of Committee on..... 471
Votes of Thanks..... 528

Western Gas Association—Sixteenth Annual Meeting.

Address, President's..... 775
Auditing Committee, Report of..... 777
Board of Directors, Report of..... 776
Committee of Arrangements for Next Meeting, Appointment of..... 853
Committee on Final Resolutions, Report of..... 853
Committee on Memorials, Report of..... 818
Committee on President's Address, Appointment of..... 776
Committee on President's Address, Report of..... 810
Committee on Proposed Revision of Constitution and By-Laws, Report of..... 777
Election of New Members..... 810
Election of Officers..... 812
Introducing New Members..... 810
Memorials, Report of Committee on..... 818
New Members, Election of..... 810
Officers, Election of..... 812
Place of Next Meeting..... 812
President's Address..... 775
President's Address, Appointment of Committee on..... 776
President's Address, Report of Committee on..... 810

PAPERS READ:

Duty of Gas Companies to their Consumers, by H. D. Wallbridge..... 846
*Gas Analysis, by O. O. Thwing..... 848
Residuals; Ideas Concerning them Suggested by the Outlook, by James Ferrier..... 811
Wood Gas During the War, by James R. Smedberg..... 851
*Wrinkles, by George T. Thompson..... 813

Report of Auditing Committee..... 777
Report of Board of Directors..... 776
Report of Committee on Final Resolutions..... 853
Report of Committee on Memorials..... 818
Report of Committee on Proposed Revision of Constitution and By-Laws..... 777
Roll Call..... 774
Special Committee on Action of Electric Currents on Gas Pipes, Appointment of..... 813
Special Committees, Appointment of..... 776
